Love and Light Mission  
361 Brunswick Drive---Vallejo, CA 94591---January 22, 2010  
Mission: Matt. 28:16-20---Vision Matt. 22:37-40

Dear Partner in Christian Ministry:

As you can imagine, our thoughts and prayers are with our brothers and sisters in Haiti. Rev Robert Compere, overseer of the Love and Light Mission in Gonaives, was in the states to see a doctor when the earthquake hit. Upon his return on Thursday, January 21<sup>st</sup>, he informed us that the mission will care for 34 orphans until their former facility in Gonaives is repaired. These precious children had been sent to live in Port-Au-Prince while their storm damaged facility in Gonaives was being repaired. We praise the Lord that their caretakers were able to get them out of their building in Port-Au-Prince before it collapsed. None of the children were killed or injured. Praise the Lord! Pastor Compere was asked by the Harvest Seed Ministry in the states to oversee their orphanage which he agreed to do.

Pastor Compere informed us that the mission will also be supporting many people that have returned to Gonaives to live with family and friends having lost everything. We are planning to help the returnees with water and food as long as we continue to receive donations. All donations will be used in direct support of the victims of the earthquake. The mission is highly regarded by the people in Gonaives as being a refugee center where folks can get some food, water, and Christian Love.

Pastor Compere informed us that the refugees also need shoes and clothes that can be purchased in Gonaives since its too expensive to send these items from the USA. Your prayers are needed, and may God bless you for caring for our beloved Haiti!

In His Service,

/s/  
Missionary Lillie Broadfoot  
Founder/President EWOGM  
Co-Founder Love & Light Mission

/s/  
Dr. Caroll Broadfoot, Jr. DMin.  
Church Leadership Consultant
