Dear Nation and State Presidents:

I greet you in the spirit of peace, love and joy in Jesus as we approach our 70<sup>th</sup> Annual Session of IAMWMW and the close of the stellar tenure of beloved seventh president, Dr. Janie Charles Holmes. I extend warmly a BIG thank you to each of you for the magnificent support you have given over the past five years. Your gifts has assisted us in sustaining our headquarters building.

I am appealing to you to honor President Holmes' untiring work by continuing your support of the 2010 Queen Contest. Your continued generosity has made a tremendous difference in the upkeep of our "grand old home" please continue to invest in keeping her grand. By doing so, you will ensure that Dr. Holmes ends her tenure having realized her dream of giving our stately manor a total face lift. Over the past five years you have contributed more than \$84,000.00. During this time we have seen many upgrades to the building namely, much needed major repairs to the roof, interior and exterior repairs and painting, a complete remodeling and plumbing.

I encourage each Nation and State to support our efforts by participating in the Queens Contest however, if you are unable to participate please come prepared to give your best contribution.

Enclosed is an information form to be completed by your contestant. I will be prepared to receive the **Queen Contestants** reports on Monday, July 5, 2010 between 3-5 pm, in the Finance Room. The following items should be included: Contestant Information Form and the finance report. The "**Queen Contest**" March will be held on Tuesday morning during the opening session. The attire is White.

Safeguarding our investment is vitally important, please continue your participation and support the future of our headquarters building depends on it.

It is my prayer that showers of blessings cover you as you travel to the Peach State for our conference.

Warmest regards,
